⁴⁶ This table is inspired by the appendix in Hurtado, 224-225, where the first 11 manuscripts here appear. Beginning with MSS #12, order is determined by LDAB number. Dates, Locations, and Physical Details are reproduced as given for each manuscript in the Leuven Database of Ancient Books, but the exact contents of each book are cobbled together from a number of sources, primarily from Lincoln H. Blumell and Thomas E. Wayment, eds., *Christian Oxyrhynchus: Texts, Documents, and Sources* (Waco: Baylor University Press, 2015); Kurt Aland and Hans-Udo Rosenbaum, eds., *Repertorium der Griechischen Christlichen Papyri, Vol. II: Kirchenväter Papyri* (Berlin: Walter de Gruyter, 1995); and Thomas Wayment, *The Text of the New Testament Apocrypha (100-400 CE)* (New York: Bloomsbury T&T Clark, 2013).
